Movilla Gardens

HAVERFORD, PA.

PRICES herewith cancel all previous quotations, either by letter or in printed lists, and are subject to change without notice. Prices for large quantities quoted on application.

All prices include postage prepaid to any point in the United States and safe arrival guaranteed.

TERMS. Cash with order. Remittance may be made by postoffice order, express order or bank draft, PAYABLE TO "MOVILLA GARDENS."

ORDERS should be sent as early as possible, as stock of rarest varieties is very limited. Orders will be accepted subject to stock being unsold when they are received. If stock is exhausted, we will substitute another variety of equal value and of close resemblance or we will return the remittance, as customer may direct.

C. O. D. ORDERS will not be accepted unless accompanied by at least one-half of the amount in cash.

SIZE OF PLANTS. We furnish a division or rhizome and can supply clumps or larger plants in the common, strong-growing varieties at special prices. We do not advise planting clumps, because as soon as the plant is well established it is necessary to take it up for division and consequently no time is gained in securing good bloom.

SHIPMENTS will be made only between June 15th and August 15th. The leaves will be cut to about three inches above the rhizome and the Iris will be packed in dry moss or excelsior. They should reach the purchaser thoroughly dry, and may be planted any time within three weeks after they have been dug, but if moist and soft, they should be returned to us at once and we will replace them without charge. Many varieties will live for a month, or longer, in a dry condition out of the ground.

COMPLAINTS, if made immediately on receipt of goods, will be investigated at once and, if due to our negligence or carelessness, will be promptly rectified.

Mr. John C. Wister has compiled a booklet entitled "RARE and CHOICE IRIS with notes on their selection and cultivation." It contains accurate descriptions of over two hundred of the worlds' best Iris and is full of valuable information for the Iris grower. This will be mailed to any address in the U. S. or Canada on receipt of ten cents, which may be sent in either cash or U. S. Postage Stamps.
